

BANS OFF MOSCOW
Ballot Guide 2026

Bans Off Moscow is dedicated to ending Idaho's extreme abortion ban and restoring reproductive rights to our state. We assembled these recommendations of candidates and measures that we believe will help uphold and protect our fundamental human rights.

Ballot Initiatives

JUST REMEMBER: YES on PROP 1, and NO on the others.

YES on Prop 1

Would protect Idahoan families and their reproductive freedom and healthcare decisions.

NO on HJR4

If passed, prohibits citizen initiatives on marijuana and other drugs. In general, it could limit citizen initiatives in the future.

NO on HJR6

Makes English the official language of Idaho.

Idaho Advisory: State Gun

We have no recommendation for this one ...

School Levies

Moscow School Levies

YES on the Plant Facility Levy

YES on the Supplemental Levy

Our public schools are in desperate need of updated facilities and are dramatically under-funded by the state.
